It's no secret that most of us feel the pressure of living in our 21st century environment: anxiety and stress levels are at an all-time high, and with every aspect of our lives demanding increasingly more of our time and attention, staying on top of things is more difficult than ever before.. For unlimited Power-Ups including app integrations, team overviews, and more security, \$9.. Whether at work or at home, most of us can relate to the feeling of being trapped in a fast-paced cycle of tasks that seem to have no end or pause in between them.
