Windows 10 IoT Emulator Software Installer Package for Windows for Mac OS X This can be downloaded here.. De Gea, 27, has been with Real Madrid for 14 years and has just signed a new four-year contract.. But as United's Champions League chances shrink and the player looks increasingly likely to leave Madrid in the summer, Spurs are increasingly convinced De Gea might not make the right decision for the club.. United are thought be keen to move De Gea on until the summer and that he may prefer a move to a bigger European side. De Gea signed his contract with Real last summer for around £60,000 a week, with his salary increasing further to at least £100,000 a week by 2022.. Faster: F5 Update download time.Tottenham Hotspur have launched a £100 million bid for Manchester United's left-back De Gea as part of an attempt to revive their fortunes.
